Dear Community Member,

My name is Linda Tra, and I am the Community Relations Coordinator for Riverside University Health System (RUHS) Foundation. Our organization works hard to support the littlest patients in Riverside County by funding the needs of Riverside University Health System Pediatrics Department.

The 33rd Annual Festival of Trees...for the love of a child! Gala will take place on November 22, 2022 at the Riverside Convention Center. This beloved tradition raises funds to benefit the Pediatric work at the Medical Center’s NICU, PICU, and the Child Abuse and Neglect Unit. The Arctic Sun and Giraffe Bed, along with other essential equipment, were purchased with 2021 Festival of Trees funds.

We hope you will consider donating an item (gift certificate, gift basket, etc.) to ensure that the tiniest little ones in our community have what they need, when they need it! Please return the enclosed Donor Commitment Form by October 15, 2022. For more information about the Festival of Trees, please visit www.RUHSFoundation.org.

I would be happy to provide you with more information about how you can support our work at RUHS Foundation. Please don’t hesitate to contact me at 951.486.5723 or email l.tra@RUHealth.org. Thank you!

Sincerely,

Linda Tra
RUHS Foundation - Community Relations Coordinator

As the only Level-I Trauma Center and Pediatric ICU in Riverside County, the Arctic Sun plays a critical role in the care of our most fragile kids at RUHS Medical Center. The Arctic Sun is for children in medical distress, regulating body temperature in the event of a trauma or a seizure for the duration of days and even weeks to aid in the healing process.

When new babies arrive at RUHS, they are warmly welcomed in the new state-of-the art Giraffe Beds in Labor & Delivery. Designed to mimic the mother’s womb, Giraffe beds provide a controlled, stress-reduced environment, regulating body temperature and controlling humidity to avoid moisture loss. The goal: greet baby in a evidence-based loving environment, especially those born in distress, so that they can be in mom’s arms as soon as possible!
