### About the Courts

There are five professionally lit hard tennis courts.

The atmosphere surrounding the courts is both private and beautiful with tree top views of mature pine and eucalyptus. The facility is highlighted by a sunken center court with stadium seating on one side.

Every year the Victoria Club hosts 3 tournaments: the Men's Singles Championship held in May, the Junior Satellite Tournament held in August, and the Holiday Doubles Tournament in December.

Tournament Coordinator, Philip Di Nova, is your contact for questions.
